

CAUTION!

Do not drink from the lid.

Please take off lid before drinking from the Cosori mug.
The lid opening is not for drinking, but for placing a stirring spoon.

- To avoid being burned, be extremely cautious when moving cups containing hot liquids.
- If heated for too long, the mug may be too hot to drink from immediately.

Thank you for purchasing a new set of **Cosori Coffee Mugs**

These mugs are stainless steel with a 500 mL capacity. The lid is crafted to let you stir your coffee while keeping it covered. Happy drinking!

Want to keep your coffee even warmer?

Cosori mugs are specially designed to use with the **Cosori Coffee Warmer**. Find out more at **Cosori.com**, or search *Amazon.com* for "Cosori Coffee Warmer".
